

CAREY CURBSIDE RECYCLING PROGRAM

The Village of Carey's curbside recycling program will remain the same as in the past, with one exception. Beginning immediately, all paper products will be picked up on Wednesday only. Metal food cans, plastic bottles, and glass containers will continue to be picked up on Mondays and Tuesdays. The program will also remain free of charge.

Wednesday pickup will be for newspapers, magazines, shredded paper, chipboard and corrugated cardboard. These items will not be picked up on Monday and Tuesday routes. Residences located west of Vance Street will be on the Monday route, and those east of Vance Street will be picked up on Tuesday. Dow Street, E. Brown Avenue, Brayton Street, and Newhard Street will remain on the Monday route. Items should be at the curbside by 7:30a.m. the morning of pickup.

Items that will be picked up on Mondays and Tuesdays include aluminum cans and steel food cans; plastic soda bottles, milk and water jugs, and plastic detergent bottles with a number 1 or 2 on the bottom; clear, brown, and green-colored glass jars and bottles. Items that will not be picked up include aerosol cans, mirrors, ceramics, light bulbs, window glass, ovenware, plastic toys, or other plastic containers without the number 1 or 2 marking on the bottom.

All food containers should be rinsed clean and caps removed before being placed in the recycling bin. The recycling crew also asks that individuals flatten plastic jugs and food cans to allow more items to be placed in the recycling trailer. If a bin also contains garbage, diapers, unrinsed food containers, or other non-recyclable items, the recycling bin will not be emptied.

Items that will be collected on Wednesdays include flattened corrugated cardboard and chipboard (cereal boxes, beverage cartons, etc.), pizza boxes, newspapers, shredded paper, and magazines. These items should be bundled or bagged. Paper products should not be set out at curbside in the event of rain.

All recyclables must be placed in red plastic recycling bins available for purchase at Kurtz Shoe Store, 107 W. Findlay St., Carey, and at the Wyandot County Recycling Center, 11385 CH 4, Carey (www.wyandotrecycles.org).
